Who We Are

AY12 was founded with a clear belief: that effective, science-driven skincare should not be out of reach for any brand, anywhere. Operating out of Konya, Türkiye, we bring together advanced cosmetic formulation expertise and a global perspective to deliver private label beauty solutions that perform.

As a brand of Durham Group, we combine entrepreneurial agility with the infrastructure and standards of an established international group — giving our partners confidence from first sample to final delivery.

Our Vision

"To become a trusted global partner for beauty brands seeking quality, innovation, and a manufacturer who genuinely invests in their success."

What Sets Us Apart

- 01 Science-led formulation**
Proven actives: Retinol, Hyaluronic Acid, Niacinamide, Ceramides.
- 02 True private label flexibility**
Your brand, your packaging, concept to finished product.
- 04 Strategic location**
Konya, Türkiye — gateway to European & Middle Eastern markets.
- 03 Durham Group backing**
International standards, reliability, and long-term partnership.
